**Request to Remove Small Entity Status, Accept Large Entity Fees, And to Excuse certain small entity fees and claims made in this application, as errors made in good faith without deceptive intent**

Sir:

Under the provisions of 37 CFR 1.28 applicant respectfully requests that Small Entity Status for this application be removed, and respectfully requests that the Patent and Trademark Office accept certain large entity fees tendered herewith, and excuse certain small entity fees and claims made in this application as errors made in good faith and without deceptive intent.

Small entity status was established and maintained in this application and small entity fees were paid in good faith and without deceptive intent. Applicant recently determined that because of an agreement entered into on July 19, 2005 and extended as of an amendment dated July, 2007, that maintenance of small entity status after July 19, 2005 may have been in error, and applicant believes that as an excess of caution that this application should be treated as if it had lost its small entity status as of July 19, 2005.

Therefore, applicant asks that the failure to change status of this application after July 19, 2005, and the payment of small entity fees after that date, be excused as errors without deceptive

intent, and in accordance with Rule 28, submits the following information to comply with the requirements of that rule.

<i>Type of Fee Erroneously Paid as a Small Entity:</i>	Issue Fee	Missing Parts Fee
<i>Small Entity Fee Actually Paid:</i>	\$720.00	\$65.00
<i>Date When Fee Was Paid:</i>	12/06/2007	12/21/2005
<i>Current Fees for Non-Small Entity:</i>	\$1,440.00	\$130.00
<i>Deficiency Owed:</i>	\$720.00	\$65.00
<i>Total Deficiencies Owed:</i>	\$785.00	

Applicant has submitted the deficiency herewith, and requests that if any additional fees are owed, that such fees be charged to the undersigned's deposit account number 50-1905. (A duplicate of this paper is attached).

Finally, if anything further is required in connection with this request, it is respectfully requested that the Commissioner notify the undersigned.

Favorable action is respectfully requested.

Respectfully submitted,
